Healing Prayer Ministry?

Who can come?

Anyone with a persistent need of a deeper relationship with God can come for Healing Prayer Ministry

Why come?

Jesus Christ came to give Life, a full and rewarding life in God, both now and forever.

Having begun a personal relationship with Jesus, by asking Him into our heart and being filled with the Holy Spirit, the continuing journey with God is in a loving relationship with Him

The problems and hurts of life leave their mark to hinder and affect this relationship. Satan takes advantage of sin and trauma in our life, but the responsibility for our reactions is ours.

By the Holy Spirit, Jesus, our healer and restorer, will reveal His truth about the roots to our problems and bring freedom.

On the cross Jesus Christ dealt with sin and its results. Satan has been defeated, yet we can be ignorant or deceived, bound by sins, poor decisions, reactions, unforgiveness, vows and words, or other reasons, and fail to live as over comers.

What happens?

During the Ministry time trained people wait on the Holy Spirit to bring God's Truth into the area of healing needed. At the same time a separate group prays for them.

By applying God's love and grace to any situation, healing is released and Satan's hold in our lives broken.

- this is why Jesus came!
